Video: NATO Member States Are Under the Command of the Pentagon. NATO-Exit

This interview was recorded on July 2, 2024. It was intended to be published prior to the NATO Summit.

Due to temporary technical problems, the programme was not recorded in the Lux Media Studio. Our thanks to Lux Media for their support.

NATO is not an alliance. It is an organisation under the command of the Pentagon, and its objective is the military control of Western and Eastern Europe.

US bases in the member countries of NATO serve to occupy these countries, by maintaining a permanent military presence which enables Washington to influence and control their policies and prevent genuine democratic choices.

NATO is a war machine which works for the interests of the United States, with the complicity of the major European power groups, staining itself with crimes against humanity.

These wars are financed by the member countries, whose military budgets are increasing continually to the detriment of social expenditure, in order to support colossal military programmes like that of the US nuclear programme which costs 1,300 billion dollars.

To exit the war system which is exposing us to increasing dangers, **we must leave NATO, affirming our rights as sovereign and neutral states.**

In this way, it becomes possible to contribute to the dismantling of NATO and all other military alliances, to the reconfiguration of the structures of the whole European region, to the formation of a multipolar world where the aspirations of the People for liberty and social justice may be realised.

We propose the creation of a **NATO EXIT International Front** in all NATO member countries, by building an organisational network at a basic level strong enough to support the very difficult struggle we must face in order to attain this objective, which is vital for our future.

David DuByne - Embrace the Awakening, Embrace the Cycle: The Water Bearer Returns

We see vast changes are occurring in every aspect of life exactly at the same time across the entire planet. Ask yourself why, and why at this time when vast electromagnetic Earth changes are timed out through October 2024 as the four gas giants form a square in the outer solar system that was last seen in 79 A.D., that our world is radically changing.

Johan Oldenkamp - The Giza Star Clock and the Transition of the Ages

In addition to the three larger pyramids, there were in total also eight smaller pyramids on the Giza plateau in Ancient Egypt. To many, it is clear that the three three larger pyramids refer to Orion's Belt. These three pyramids were built below on the surface of our home planet, just as these three stars are above in the sky ("As Above, So Below"). More info...
